

SHRED STATION

Simon Shred goes to school

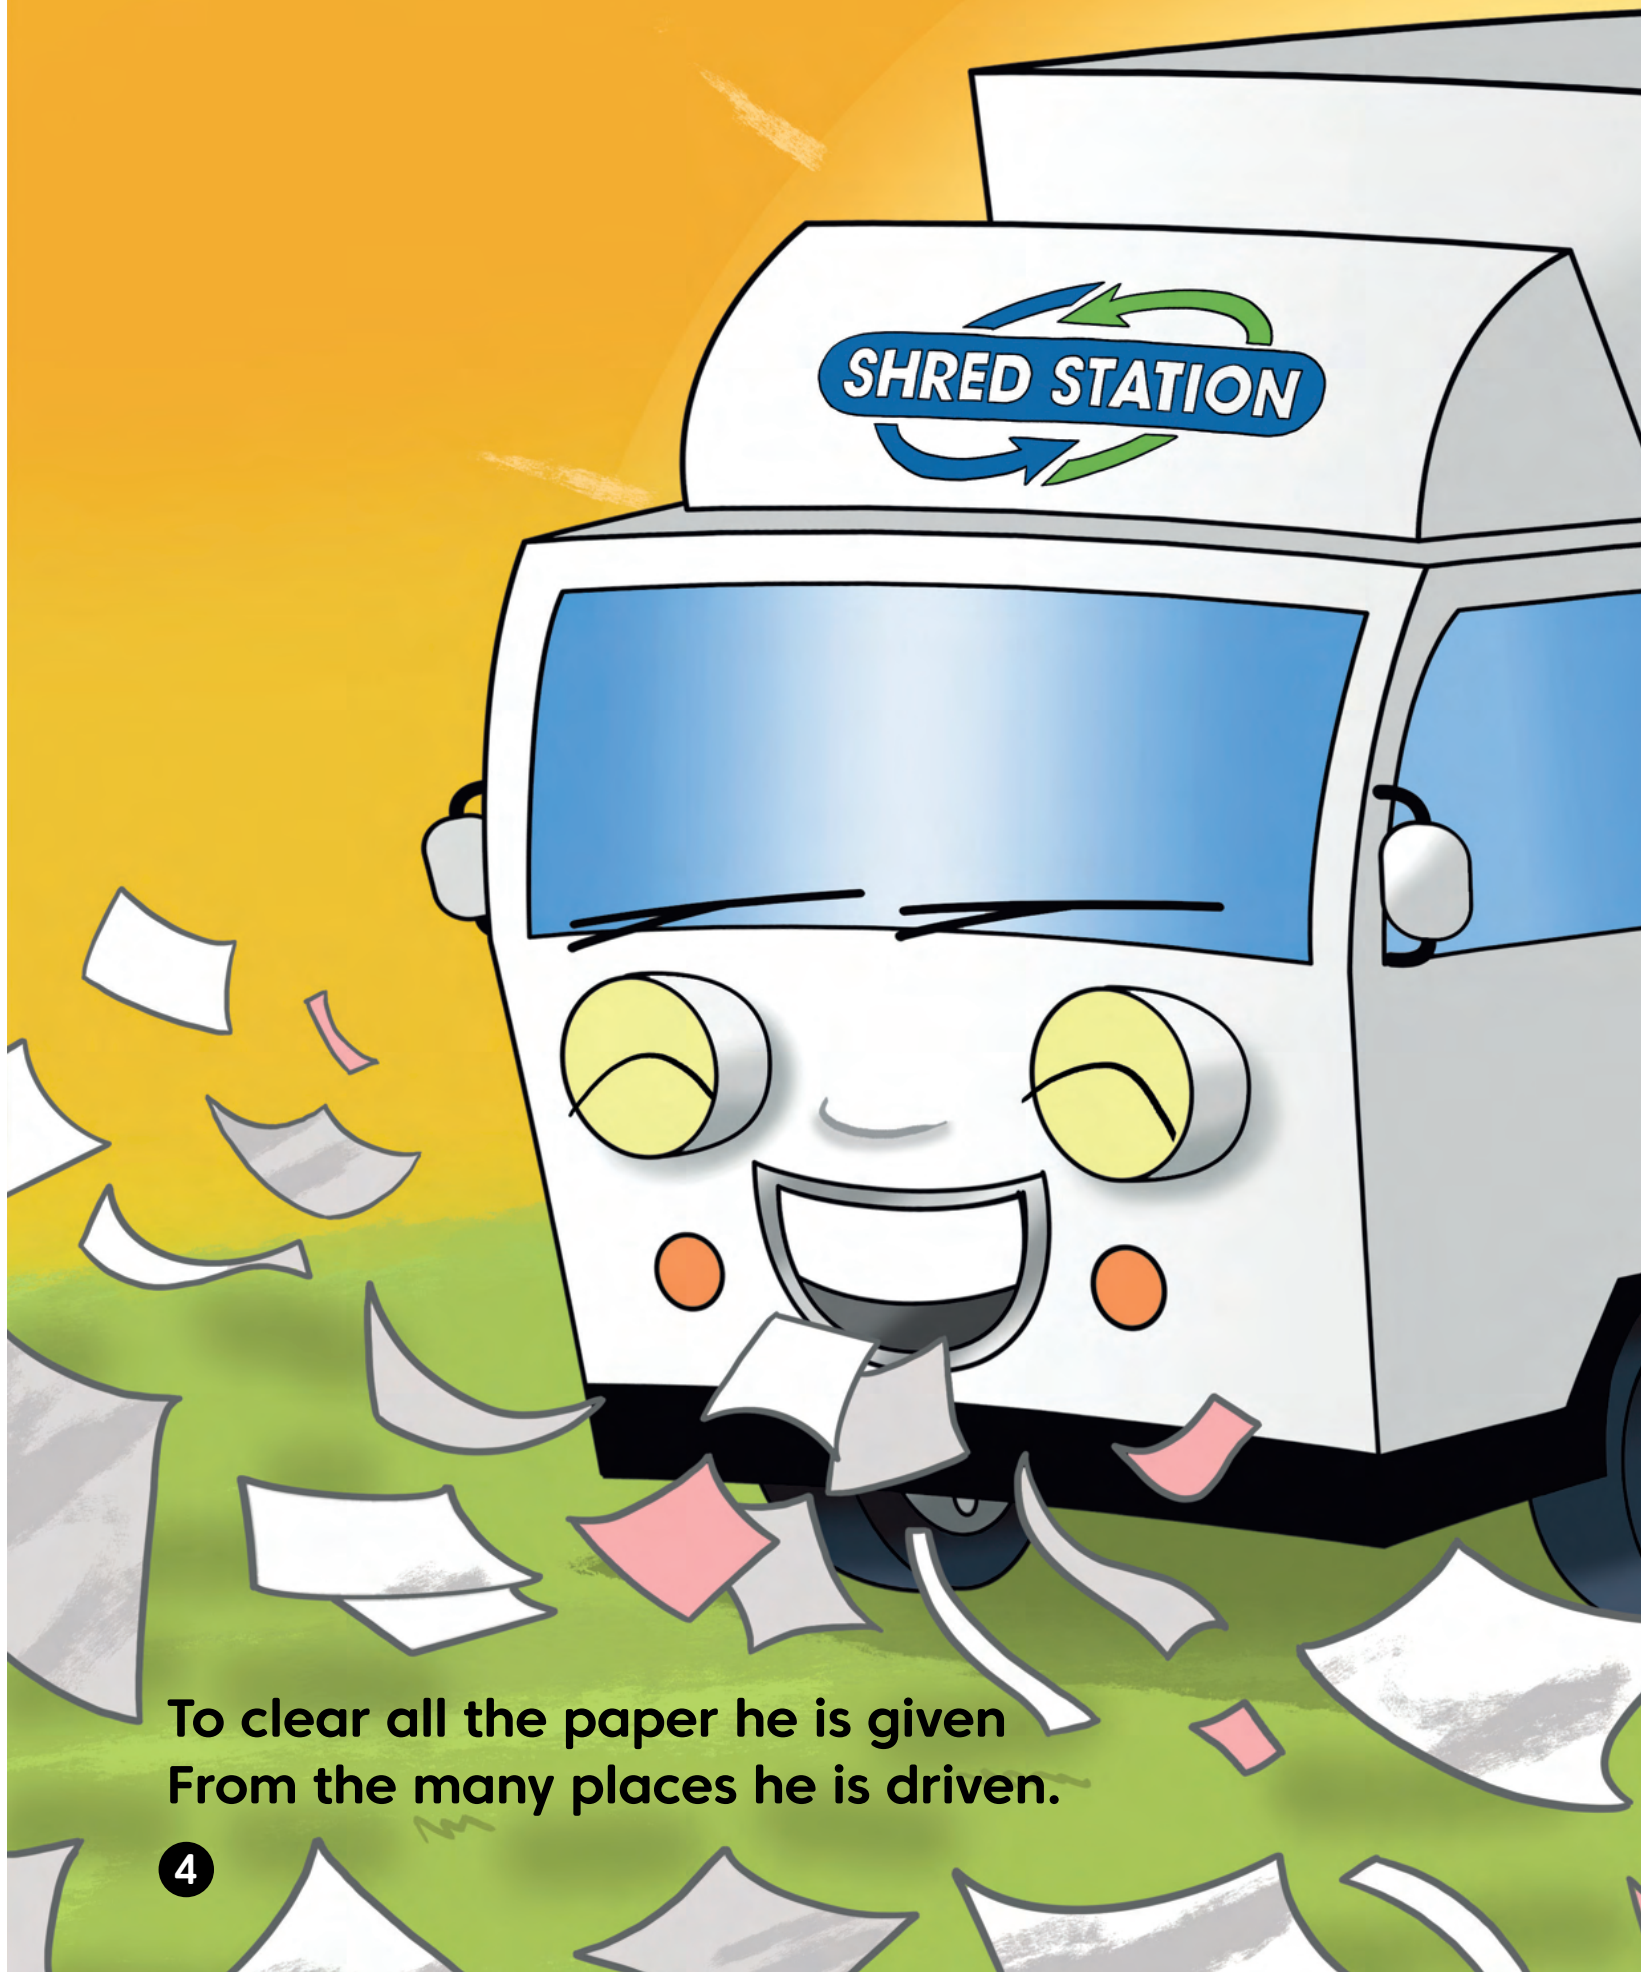

Simon the Shredder is a very cool truck
But give him food and he's out of luck.

**It's not fruit he wants, or ice cream or sweets
Just sheets of paper are Simon's treats!**

Some written words are not to share
So Simon eats them and takes great care

To clear all the paper he is given
From the many places he is driven.

So any paper that must be destroyed
Can be given to Simon and much enjoyed.

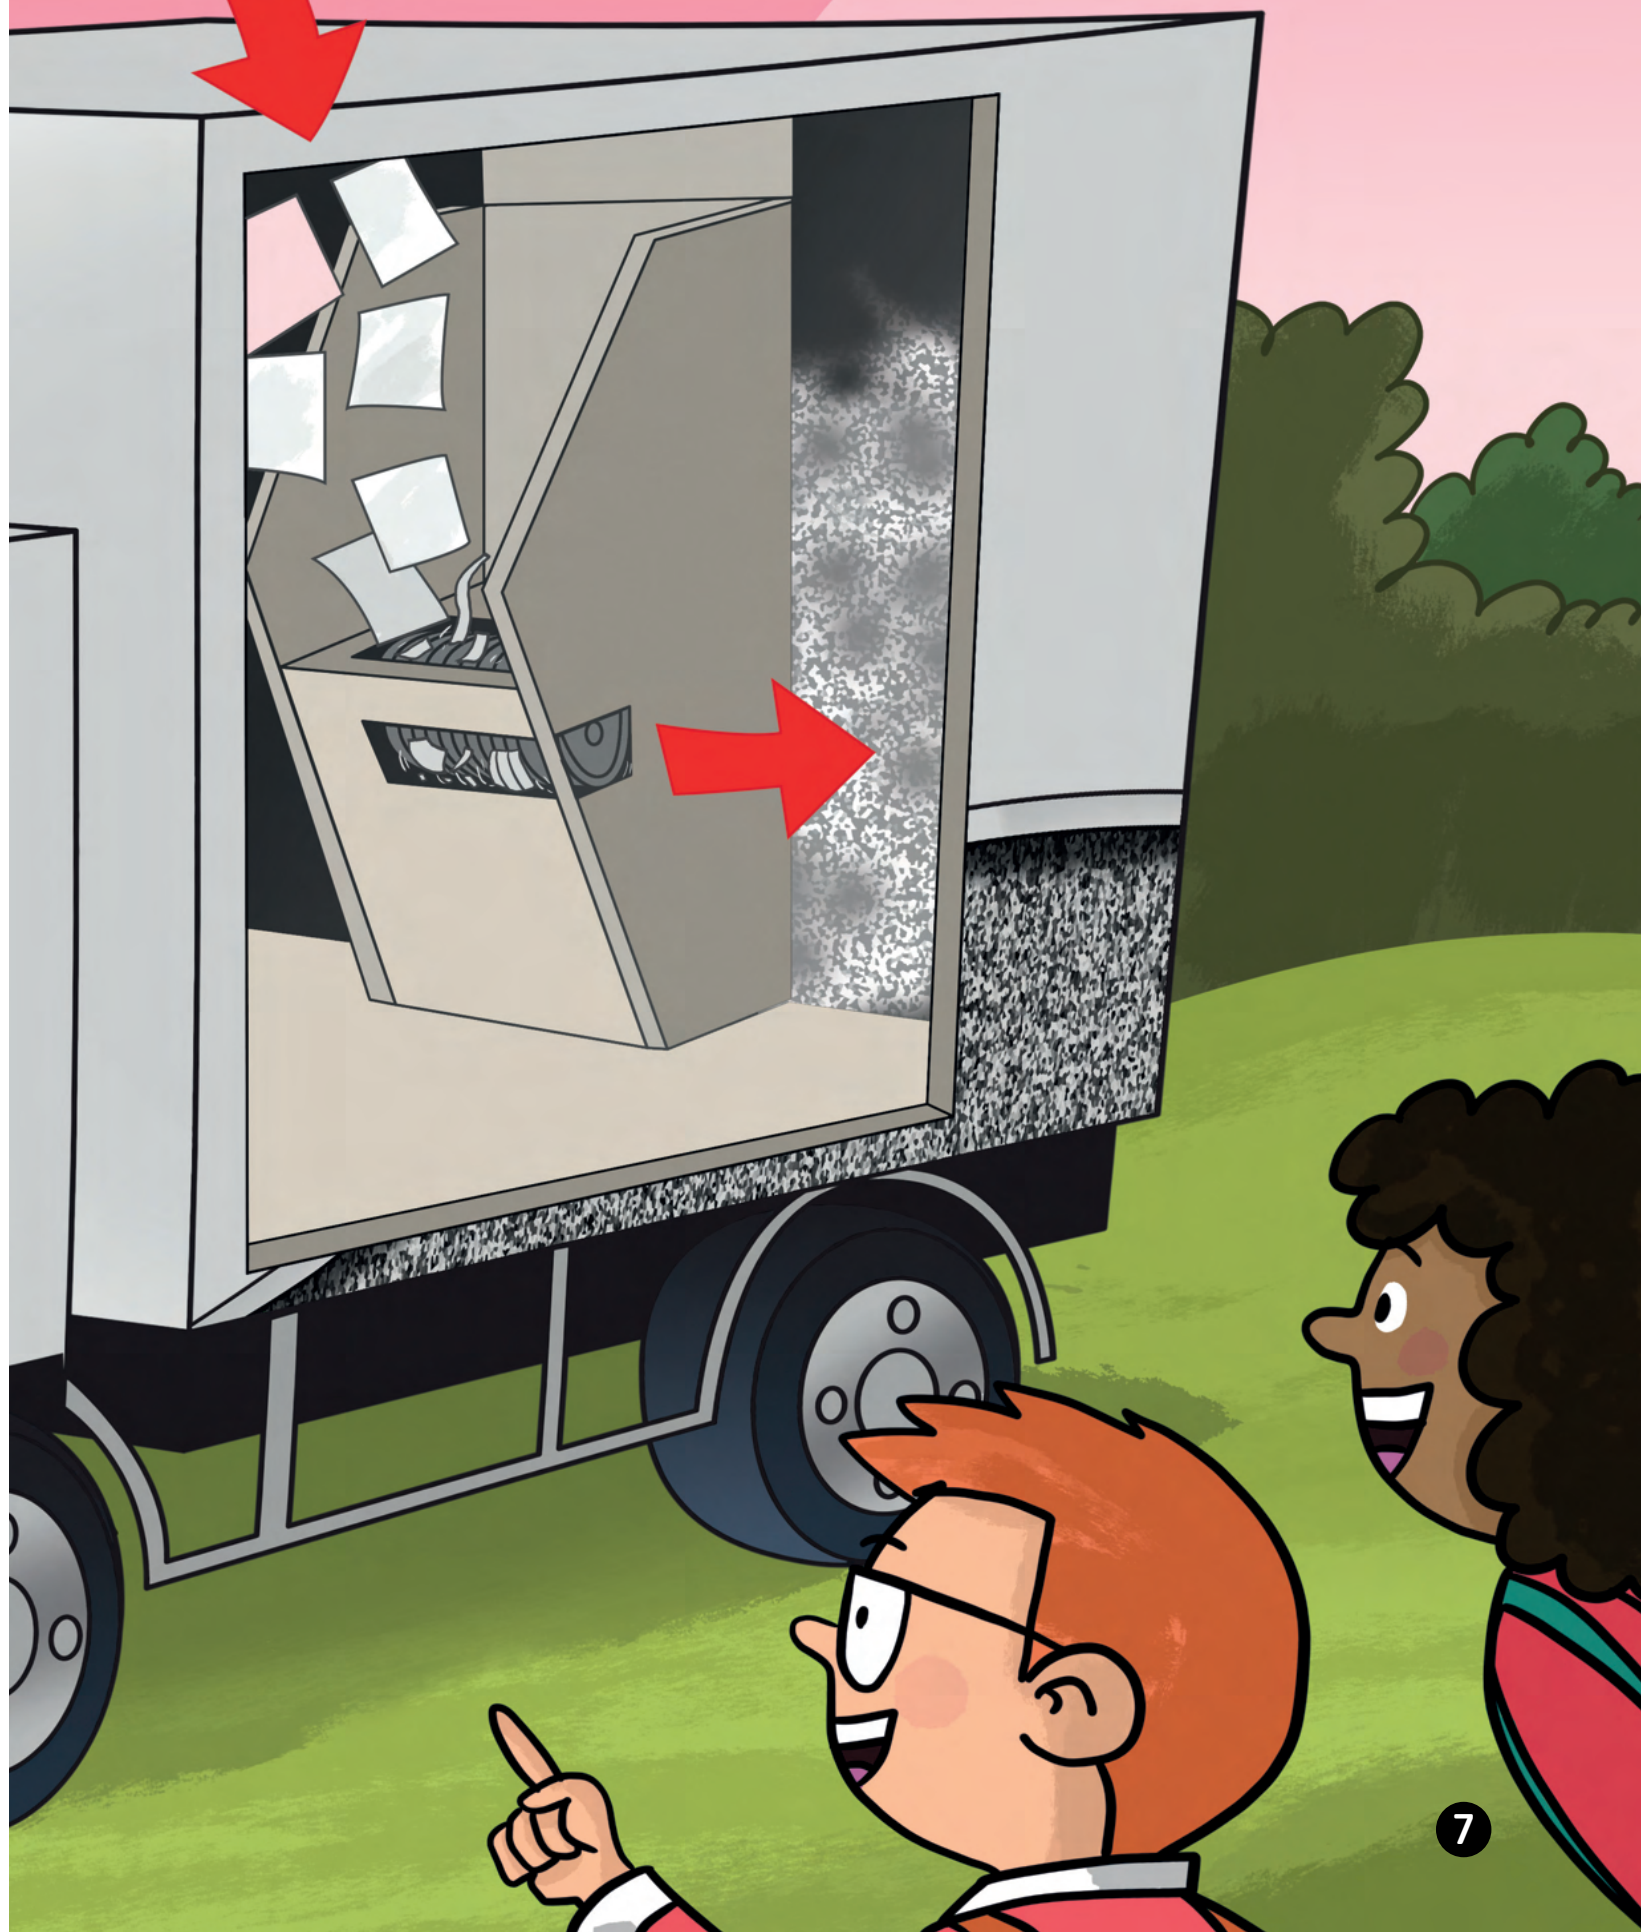

Just pass it on to teachers, or an adult you know,
To feed to Simon and watch him go!

In school all the children in their uniform
Saw Simon's paper all shredded and torn.

**“But what happens next?” he heard them ask,
Getting rid of all that shredding is quite a task.**

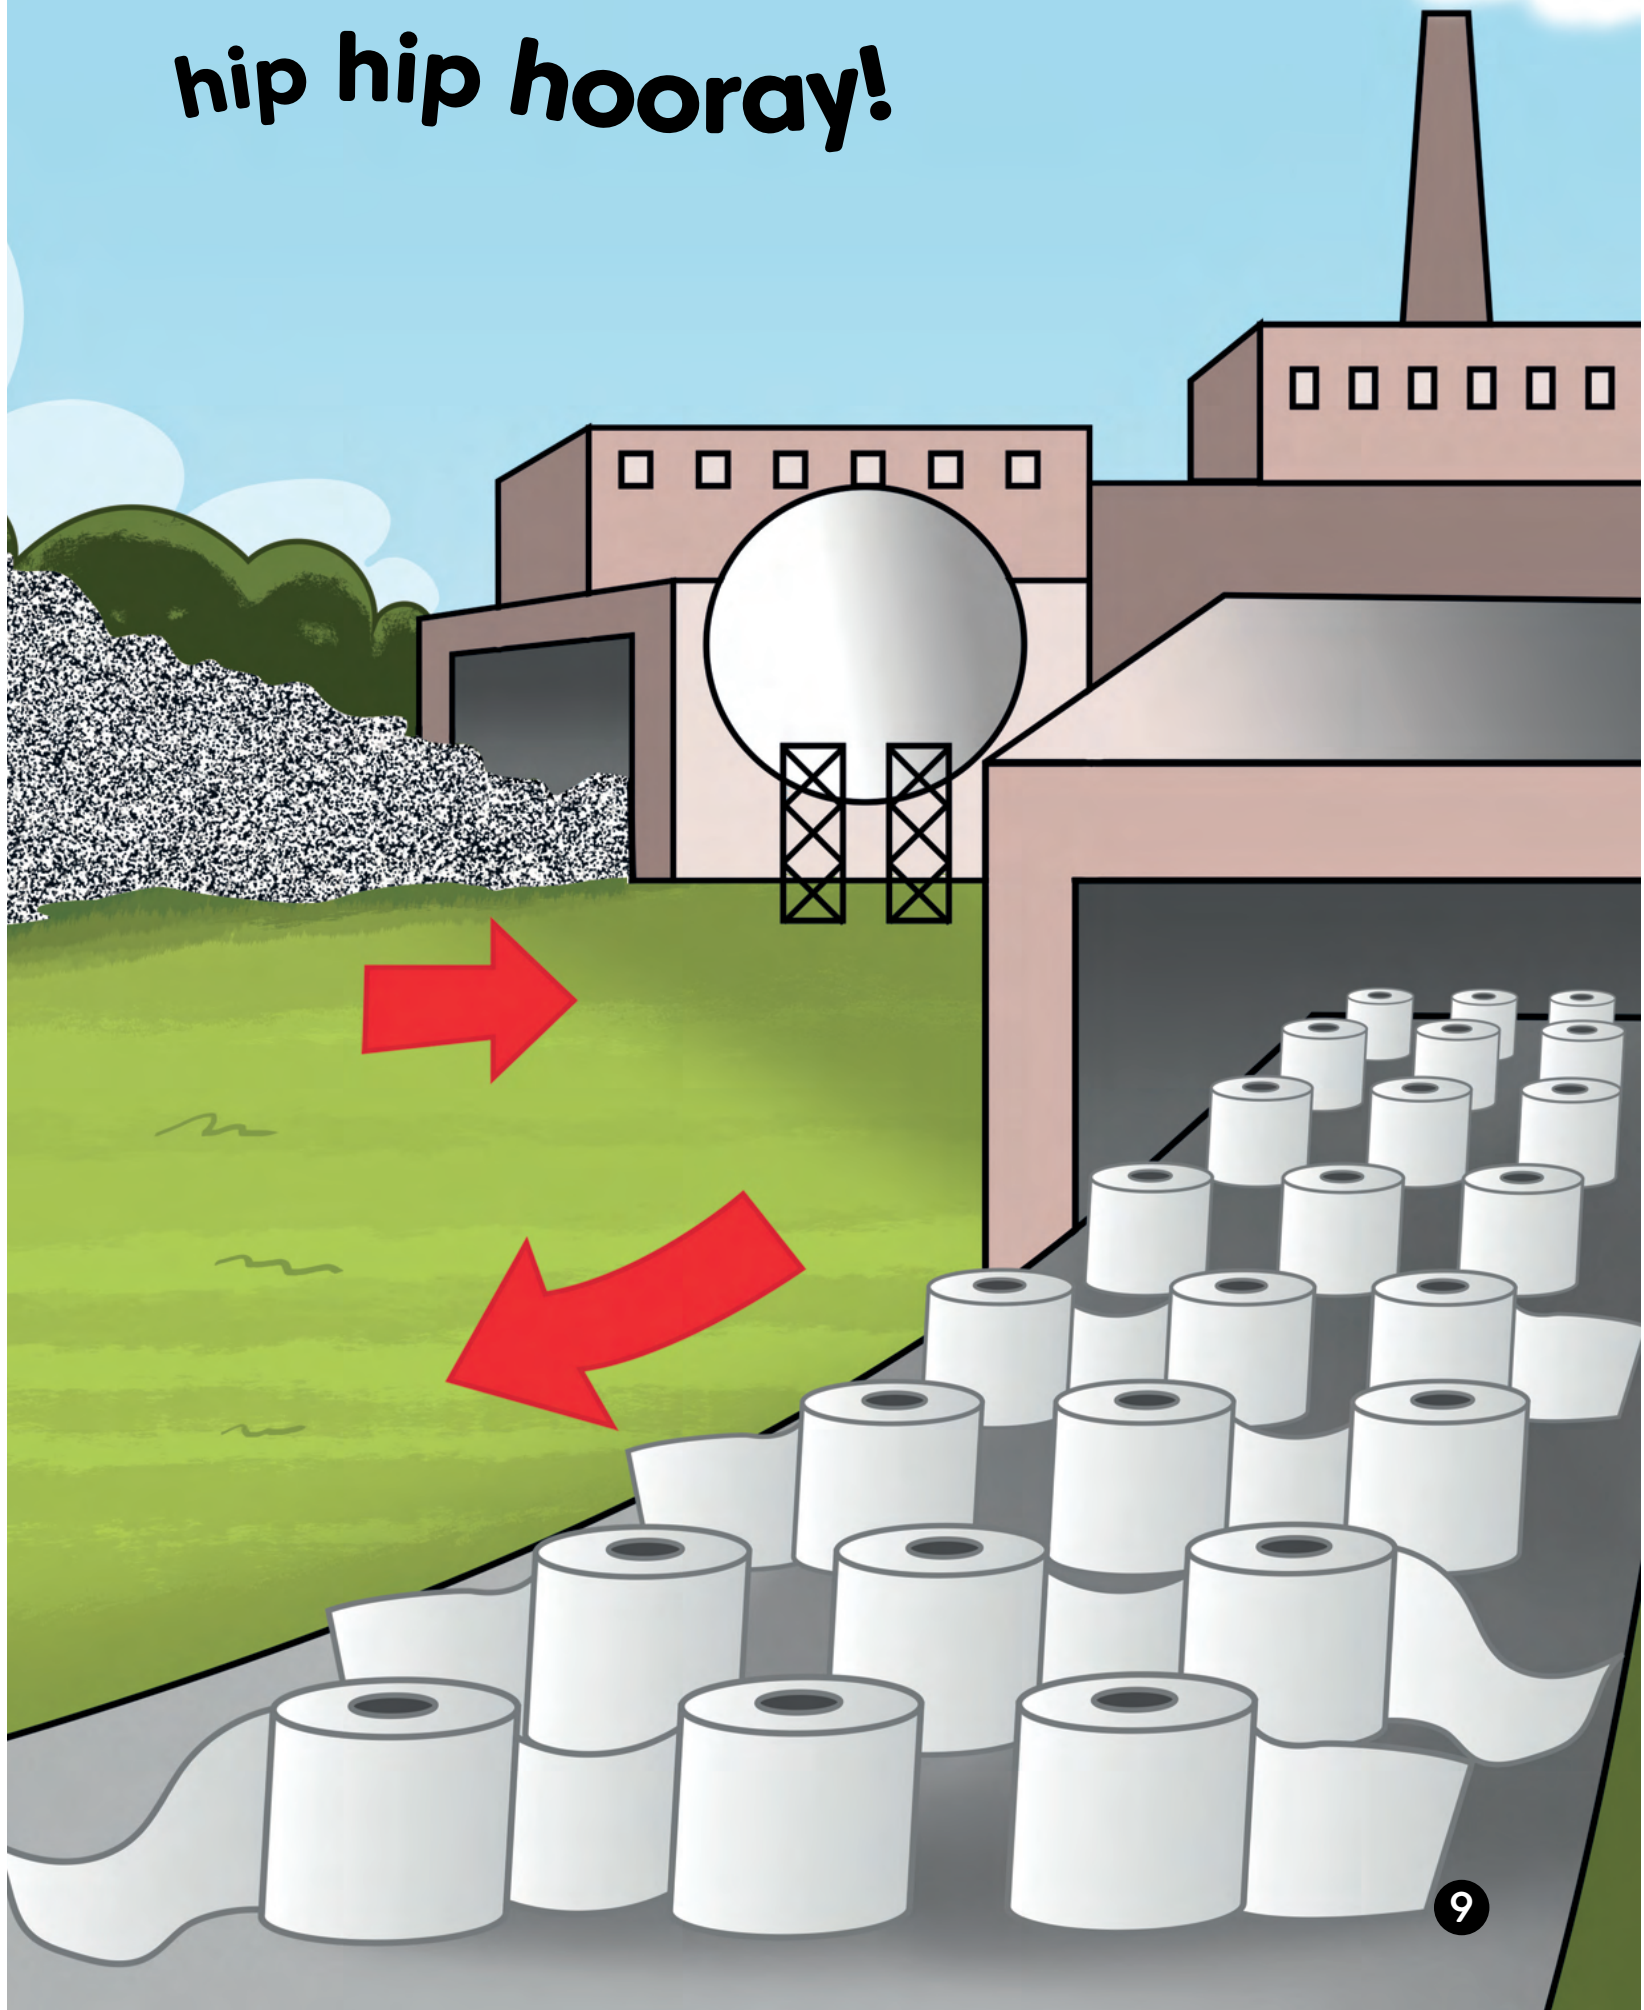

At the paper mill the shredding is washed
To make something new it is pulped and squashed.

Recycling is important, not just throwing away
So the shredding becomes toilet roll

hip hip hooray!

Simon the Shredder Wordsearch!
